MEMORANDUM FOR: The Director

THROUGH : Dick Lehman, D/DCI/NI ✓

FROM : [REDACTED] NIO/SSEAAF

SUBJECT : Your [REDACTED]

1. [REDACTED] (C/AF/DDO) tells me that the Agency has had contacts with [REDACTED] for a number of years. He was frequently a source of Agency reports in the 1960s, and has been a source less frequently in recent years because his access to [REDACTED] has diminished. Throughout, he has been very helpful to us.

2. It would indeed be useful to have a few analysts get together with [REDACTED] when he comes through Washington in September or October. Since open contact with us would not help him after his return to [REDACTED] we should set up a session with him in such a way that it will not become known around Washington. Do you want us to call him and arrange a meeting, or would you prefer to do it yourself?
